

# Is there life after College? There sure is, become an **ASCE** Younger Member!

The **American Society of Civil Engineers** (ASCE) was established in 1852 to provide essential value to our members, their careers, our partners and the public by developing leadership, advancing technology, advocating lifelong learning and promoting the profession.

The **Committee on Younger Members** (CYM) is a national ASCE committee representing members age 35 and under.

---

## What we do...

- ✓ **Social Events** – Younger Members organize a wide variety of social events that include happy hours, golf tournaments, poker tournaments, fishing trips, camping trips, and sports outings.

- ✓ **Community Service** – Younger Members give back to the community through various programs including Habitat for Humanity, the Soup Kitchen, Toys for Tots, and Adopt-A-Highway.

- ✓ **Student Outreach** – Younger Members are very active working with students from kindergarten through college. We volunteer at local school districts as mentors and work with college students.

- ✓ **Professional Development** – Younger Members organize seminars and conduct PE exam review courses for their members.
  - ✓ **Hold Offices** – Younger Members hold many committee and Board positions at local ASCE Sections and Branches in addition to national committees and Regional Boards.
  - ✓ **Solicit Awards** – CYM solicits nominees for 7 national awards which include the Daniel Mead Prize, Collingwood Prize, Edmund Friedman Young Engineer Award for Professional Achievement, Young Government Civil Engineer Award, Younger Member Group Award, Employer Recognition, and the Younger Member Group Web Page Award.
- 

## Where to find us...

Younger Member groups have ties to the local Sections and Branches of ASCE.

The ASCE Official Register has a listing of all Sections and Branches.

The Register can be downloaded from the ASCE website, [www.asce.org](http://www.asce.org), under Inside ASCE.

Your involvement in ASCE is highly encouraged as you begin your professional career. CYM is here to help you make the transition. Visit our site at [www.asce.org/inside/youngermem.cfm](http://www.asce.org/inside/youngermem.cfm) and contact us with any questions.
